

Alan Rosenberg represents bankruptcy trustees, creditors, debtors, and other parties-in-interest, in all aspects of insolvency proceedings and bankruptcy-related litigation, including, but not limited to, the sale of bankruptcy estate assets and the pursuit and defense of avoidance actions and other litigation claims. In addition to his bankruptcy practice, Alan also represents individual and corporate clients in various commercial litigation claims and real estate transactions.

Alan has been recognized as an authority in the field of cryptocurrency in insolvency proceedings. He also studies digital assets and blockchain technology and speaks and often publishes on the subject. Alan is also a Cryptocurrency Tracing Certified Examiner through CipherTrace.
